Objective

My life objective is to serve humanity and work to leave this world better for our children than it was left for us.

Accomplishments

Co-founded a statewide network of sustainability organizations to collaborate with the University of California and the California State University Systems to implement the most comprehensive sustainability policy in higher education, which continues to shift billions of dollars of market share towards green energy and product markets.

Co-drafted and helped implement the guiding documents for the highest level sustainability advisory committee to the Chancellor at UC Santa Cruz, and collaborated to ensure implementation of the now existing Office of Sustainability at UC Santa Cruz.

Education

1994-1998 *Gunn High School, Palo Alto*

1998-2004 *Environmental Studies and Biology, University of California Santa Cruz*

Experience

-2010 *Team Member Whole Foods*

Supporting the Team at the Downtown Palo Alto Whole Foods in the Prepared Foods Department.

2009-2010 *Enumerator, US Census Bureau*

Door to door listing with hand held computer device and communicating about the census process.

2006-2008 *CEO BJC Wellness Support Services & the Wellness Community Transformation Center*

Started my own business to support clients as a Warrior Yoga Instructor, Pranic Healer, massage practitioner, detox foot baths, and overall wellness support in healing and preventative care for personal sustainability.

2004-2006 *Sustainability Advisor, UC Santa Cruz Student Environmental Center*

Established \$350,000 annual permanent budget for the student Campus Sustainability Committee at UC Santa Cruz and stayed on to advise and establish the structures to oversee finances and develop collaborative relationships with the administration for the successful implementation of a comprehensive Sustainability Plan.

1998-2004 *Student Sustainability Organizer in the Campus Sustainability Movement*

Helped co-found the Student Environmental Center at UC Santa Cruz and organized the first Campus Earth Summit in 2001. Co-founded the Education for Sustainable Living Program (ESLP) at UC Santa Cruz and across the state at 6 UC campuses as an accredited class. Participated in numerous other sustainability projects in Santa Cruz, California, USA and with the UN.
